

This aerial map displays a complex land use area. A red rectangle highlights a specific plot of land in the center-right. The surrounding area includes residential developments with houses and roads, large green fields, and industrial or commercial structures. Several parcels are labeled with codes such as 'ZL', 'RV', 'R', and 'RIVb'. A road network is visible, including a roundabout in the lower right. The red rectangle is located in the center-right area, adjacent to a road and a large green field.
